Love

MORE THAN A MEMORY

LOVE LIVES ON

Love. Life's single greatest risk. Life's single greatest reward. The most intense feeling we can have. Intangible and unexplainable, yet ever so real and powerful. Love captures your heart in a second and holds it for eternity.

You found it in their touch and in their smile. In their laughter and in their silence. In their strength and in their flaws. Their presence in your life has made you who you are, and you are grateful. The time you've spent together is the one thing you would never trade away. The time you no longer have is the one thing you would trade everything to have again. That is love.

Whether it happened in an instant or developed over a lifetime, you have known the feeling of pure joy and elation, and it will be forever cherished. Love is more than a memory.

To desire a LifeGem diamond can mean only one thing. You have experienced a love without equal. You have had someone truly special in your life and mere words simply will not do.

Love knows no boundaries. Love knows no end.

LifeGem... because love lives on.

MORE THAN PRICELESS

LIFEGEM® DIAMONDS

Like the most precious and rare natural diamonds, the LifeGem® process allows you to choose from a range of carat sizes and cuts.

COLOR

LifeGem diamonds are available in brilliant and beautiful yellows, greens, reds, blues, and colorless. Like a sunset captured in time or a wave upon the ocean, each LifeGem® will have its own individual hue within the color family you choose.

CARATS & CUTS

As the most precious and rare diamond you could ever own, your stunning LifeGem diamond makes a unique statement. Choose from carat sizes ranging from .25ct to 2.0ct. ¹ The most brilliant cuts are round, princess, or radiant, but almost any cut you desire is available upon request. ²

CLARITY

At the LifeGem state-of-the-art diamond facility, we pride ourselves on creating the highest quality diamonds possible. Our scientific process produces a unique diamond every time, with flaws similar to a natural diamond. LifeGem diamond clarity ratings can range from VVS to I.

¹Certain colors may not be available in larger sizes.

²Additional amount may apply.

CREATED INDIVIDUALLY FOR YOU

High-quality created diamonds have been present for more than fifty years. These diamonds are created by placing carbon, the primary element of all diamonds, in conditions that recreate the forces of nature. The LifeGem® process differs by using an exact carbon source to create a beautiful and meaningful diamond for you and your family.

In summary, here is how we create your LifeGem diamond...

Step 1. Carbon Capture

After extensive research and development, we have discovered how to extract the carbon from a lock of hair or existing cremated remains. This process begins with either an amount of hair collected during a routine hair cut, or a small portion of the remains from any standard cremation.

Step 2. Purification

Once captured, this carbon is heated to extremely high temperatures under special conditions. This process converts your loved one's carbon to graphite with unique characteristics and elements that will create your one-of-a-kind LifeGem diamond like no other in this world.

just for you

MORE THAN A BREAKTHROUGH

Step 3. Creation

To create your LifeGem®, we now place this graphite in one of our unique diamond presses, which replicate the awesome forces deep within the earth—heat and pressure. The more time in the press, the larger the rough diamond crystal that results.

Step 4. Certification

Finally, our skilled diamond cutters facet your LifeGem diamond(s) according to your wishes, laser etch your unique identifier on the girdle, and certify it for authenticity. All LifeGem diamonds are individually inspected, graded, and identified by world-renowned gemologists trained by the Gemological Institute of America (GIA). The world's finest jewelers use this same certification process. A diamond that takes millions of years to occur naturally can now be created from the carbon of your loved one in about twenty-four weeks.

(Red and Green LifeGem diamonds may take up to four weeks longer.)
(Blue and Colorless LifeGem diamonds may take up to twelve weeks longer.)

GUARANTEE

With each certified, high-quality, LifeGem memorial diamond, we offer an exclusive lifetime guarantee against any and all defects.²

² This guarantee does not include loss, theft, disappearance, inclusions, or the loss of optical characteristics or breakage due to willful damage to the integrity of your LifeGem created diamond.

TESTIMONIALS

Just thinking about Gerry's diamond gives me a warm feeling; it's almost as though he's going to be coming "home" again. It's hard to explain—but it's a nice feeling, and thanks to you, I'm able to feel something besides the sorrow, loneliness, and fear that have been with me since he died. Thank you from the bottom of my heart for making it possible.

The LifeGem will bring us back together—forever.

C. Thorndyke

While admittedly at a loss for words initially, I'm now beginning to warm up in public.

Many, many people are seeing this wonder, and all are taken aback. I still can't find appropriate words to thank you enough for your efforts. At Kitty Hawk United Methodist Church a few Sundays ago the sunlight coming through a stained glass window enveloped the gem with spectral light that practically rendered me witless.

Mom is in my heart and now with me every day. I thank God we met.

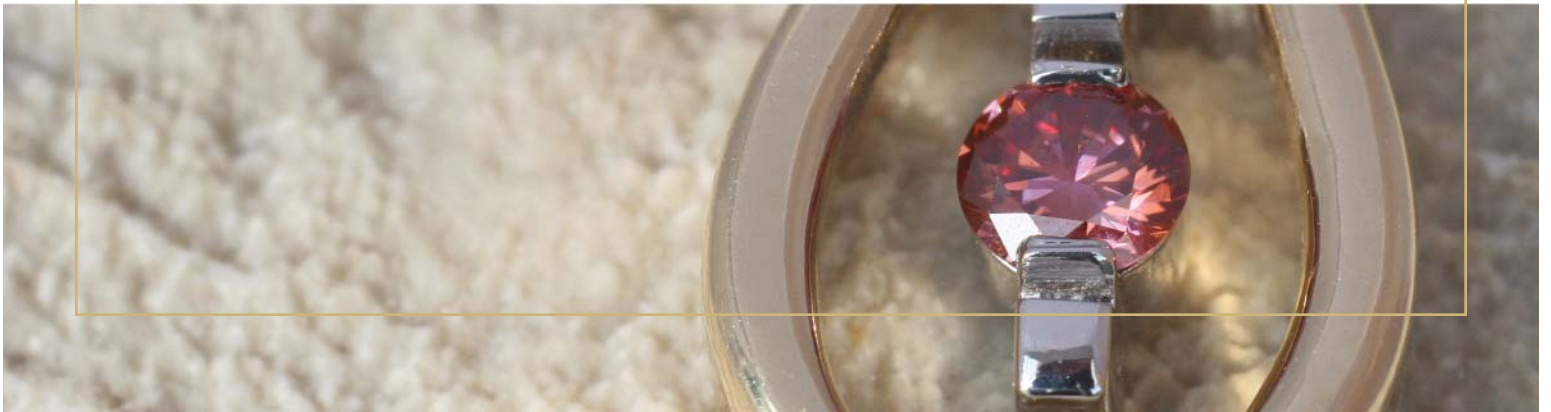

A. Lucas

Yesterday, I received the two LifeGems that you sent. They look beautiful!!!

Thank you very much for all you've done for us. The timing was good, as my younger son, Marcus, was asked to bring some things to his grief support group in one week.

Bless you, and all who contributed to the 'LifeGem' dream!!!

Terms and Conditions:

By signing this purchase order, I hereby agree to the following terms and conditions:

- 1.) This purchase order form evidences my obligation to purchase the LifeGem memorial diamonds listed on the reverse of this form (the "LifeGems"). Fifty-percent (50%) of the purchase price for LifeGems, including sales tax if applicable in my state, as reflected on the reverse, is due and payable at the time this order is accepted by LifeGem (the "Company") with the remaining fifty-percent and **all remaining sales tax** due upon delivery. Except as provided in paragraph 6, this order may not be cancelled and the purchase price shall not be refundable.
- 2.) I acknowledge that in order to form a LifeGem, it is necessary to utilize carbon collected from the provided lock of hair or remains. If ordering with cremated remains, I also acknowledge and fully understand that in accordance with my wishes, the carbon will be collected by extracting the carbon from the cremated remains after the cremation is complete. The cremated remains necessary for your LifeGem creation are processed as appropriate for disposition and suitable for inurnment within our sealed and identified cremated remains container. I further understand and agree that any remains placed in the care of Company beyond what is necessary for the LifeGem creation process may need to be returned. I hereby authorize the Company to use carbon collected from hair or remains of the Deceased for this purpose. I represent and warrant to the Company that I am authorized to grant such authority without the consent of any other person.
- 3.) While the formation of a LifeGem is normally successful, there can be no assurance that it will be successful in every case. During the purification phase, the captured carbon coalesces with the natural carbon used in the diamond growth process, allowing the carbon from the lock for hair or cremated remains to be removed intact. In certain cases, impurities may exist that will not allow for diamond growth and further natural carbon will be infused to achieve a successful LifeGem diamond. I recognize that family members and/or friends of the Deceased and/or hair donor(s) may suffer mental anguish in the event that a LifeGem cannot be created in accordance with their wishes or those of the Deceased. I assume all risks to me and my family members and/or friends of the Deceased and/or hair donor(s) in connection with this order.
- 4.) I agree to indemnify the Company, its representatives, business associates and suppliers, and hold them harmless from and against any loss, cost, damage, claim, liability or expense, including reasonable attorneys' fees, that they may incur by reason of (a) any breach of my representation and warranty in paragraph 2 above or (b) the risks specified in paragraph 3 above.
- 5.) If any LifeGem is smaller than specified in your requested order, your purchase price will be reduced accordingly. If your LifeGem is below .20ct, your price will be reduced by \$100 for every .01ct it falls below .20ct. If the LifeGem is larger than requested, no additional charge will be incurred. In either case, the LifeGem order must still be accepted. All materials received or created by Company remain property of Company until paid in full by the Customer.
- 6.) In the event that a LifeGem is not successfully created for any reason, I agree that the Company's sole liability will be to refund the purchase price reflected on this order. Such refund will not include the cremation of the Deceased or the purchase price of other products or services ordered from the Company or its affiliated retail business, funeral home and crematory partners. **EXCEPT FOR SUCH REFUND, THE COMPANY SHALL HAVE NO LIABILITY TO ME OR ANY THIRD PARTY RELATING TO OR ARISING OUT OF THIS PURCHASE ORDER FOR ANY DAMAGES, WHETHER DIRECT, INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL OR OTHERWISE.**
- 7.) **THE COMPANY EXPRESSLY WARRANTS THAT YOUR LIFE GEM(S) WILL BE IDENTIFIED AS DIAMONDS AND ACCOMPANIED BY A GRADING REPORT FROM A GIA (GEMOLOGICAL INSTITUTE OF AMERICA) TRAINED GEMOLOGIST IF SO REQUESTED. ALL OTHER ASSURANCES AND WARRANTIES WITH RESPECT TO THE LIFE GEM, INCLUDING IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ARE HEREBY EXCLUDED.**
- 8.) This purchase order shall be governed by the laws of the State of Illinois, without regard to its principles of conflicts of law.
- 9.) This purchase order is the complete agreement of the Company with respect to the LifeGem, and no other prior or contemporaneous agreements, correspondence, negotiations, conversations, courses of dealing, usages of trade or courses of conduct shall in any way bind the Company or affect the interpretation or construction of this purchase order.
- 10.) This purchase order can be amended only by a written instrument signed by the Company and me.
